Dear Friends & Family,

I am proud to announce that I have been promoted to the position of Director/General Manager here at Tanglewood Village. What this means is that my focus will have to change a little and I will need to pass on some of the responsibilities that I have been so passionate about for many years. I am now responsible for the overall management of the company as well as ensuring that the other managers have the resources, they need to run their perspective departments in a way that benefits everyone. I am certain there will be times that I will miss performing some of my old duties, but I am excited to be in a position to make some positive changes. Please know that I am always available to answer questions and to get your feedback.

I am also excited to announce that my friend and coworker, Peggy Renfro, has been appointed to the position of Marketing Director. As many of you know, Peggy and I have worked together for many years, and she has worn several hats at Tanglewood. I have total confidence in her, and I know she will wear this hat well. Peggy has begun taking on her new role and is quickly learning the ropes. When you see her in her new office or giving tours, say hi and congratulate her!

Sincerely,

Liz Holmgren

Director, Tanglewood Village
